**THE OBJECT OF THE CORPORATION JOURNAL** is to furnish corporation attorneys, and others interested, with a brief account of current happenings, recent court decisions, new laws, etc. Lengthy discussion is avoided, the purpose being to make the publication a memorandum for the busy attorney upon which he may rely for accuracy and to which he may conveniently refer. Cross references are made to preceding pages and a cumulative index is issued from time to time. The Corporation Journal is mailed each month without charge to those who request to be placed upon the mailing list.

**THE CORPORATION JOURNAL** should be kept in a binder for convenient reference. We furnish a substantial loose leaf binder for \$1.50.
